

Pen recycling collection points are located at each campus where any plastic writing implement can be disposed of responsibly.

Be Prepared

ensure you have access to drinking water on campus. All we ask is that you bring your own reusable cups and bottles to fill at water dispensers located around the building.

Our Cafés

Discounts on hot drinks from our cafes are available to those who bring their own keep cup.

All disposable packaging and cutlery is made from Vegware, a readily compostable, eco-friendly product.

Reusable china mugs and stainless steel cutlery available for people eating/drinking in.
