

External Examiners' Report

Please note that the completed report form will be made available to students and staff therefore please do not identify individual students or staff by name or candidate number. If you wish to bring to the attention of the University issues pertaining to a confidential matter, please do this separately by contacting the Academic Registrar at the University of Law.

2c: Please comment on each of the following with examples:

- Whether the assessments (formative and summative) were well-designed, valid and reliable;
- whether they assessed appropriately the learning outcomes set for the programme;
- whether they were sufficiently challenging for students in the context of the subject matter and the course.

The assessments I have reviewed were well-designed and appropriately assessed the learning outcomes. The questions are detailed and appropriately challenging. Indicative of this is that the assessments were generally approved with no or only minor comments e.g G382 (Law of Organisations GDL). It is noted that the level of internal moderation decreases the number of external comments.

Standard of Student Performance

3. Please comment on the following:

From the student work you sampled, whether the standards of student performance were comparable with similar programmes and subjects in other UK higher education institutions with which you are familiar.

Student performance was good, with a good range of marks (as you would expect). The performance was comparable to my own institution and other institutions I have been an external examiner for.
