Other Comments

8a. Do you have any suggestions for ways in which the University would enhance the student learning experience?

I have not undertaken a campus visit or met with students for a number of years which I think is the best way to inform an answer to this question.

8b. Do you have any other comments to make on areas not covered elsewhere in this report?

Thank you for provision of papers and scripts electronically to facilitate efficient review. If it was possible to collate campuses that would help further.

Signed:
